

“Make a Splash”

Sponsor The World War II Memorial Pool

Keep the pool open and honor the legacy of our veterans

When the town's veterans returned from World War II, many contributed their service paychecks to help local children. The result was the construction of the World War II Memorial Swimming Pool, where generations of youngsters have cooled off and learned to swim. By contributing this year, you will continue the wishes of the town's World War II veterans. Tax Exempt 27-3041860
